We are not aware of any circumstances where an entity outside the Sarajevo Open Centre has the right to instruct the Sarajevo Open Centre on its business operations and decisions.

There is no litigation against Sarajevo Open Centre which could cause any contingent liabilities.

For and on behalf of the Sarajevo Open Centre:

Sasa Gavrić, Executive Director

## 2. INDEPENDENT AUDITOR'S OPINION

#### Introduction

We have audited the accompanying Balance Sheet and Profit and Loss Statement of the **Sarajevo Open Centre**, Čekaluša 16 as of December 31, 2014.

## Management responsibility of Sarajevo Open Centre

Management of the Sarajevo Open Centre is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements free from material misstatement and which are consequences of errors or fraud; selecting and applying appropriate accounting policies and accounting estimates that are appropriate in the circumstances.

## Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with International Standards on Auditing as defined by the International Federation of Accountants. Those standards require that we comply with ethical requirements of the profession and to perform the audit in a manner to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether caused by error or a fraud. The risk assessment considers internal control relevant to the preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate to the circumstances, but not for the purpose of expressing an opinion on the effectiveness of internal controls.

## **Opinion**

In our opinion, based on the audit performed, the above financial statements give a true and fair view, in all material respects, of the financial position of the Sarajevo Open Centre as of December 31, 2014, and of its financial performance, and is in accordance with the generally accepted accounting standards.

## 3. INTRODUCTION

Sarajevo Open Centre is an independent, non-partisan and non-profit organization that empowers LGBT (lesbian, gay, bisexual and trans\*) people and women through community and movement building. SOC also promotes the human rights of LGBT people and women publically and advocates on national, European and international level for improved legislation and policies in Bosnia and Herzegovina.

Bosnia and Herzegovina is a society of equal rights and opportunities for everybody built upon active and political engaged citizenship and an accountable state.

SOC was established in 2007, and they have been working intensively since 2011, when they opened first office and had activists constantly working in the Sarajevo Open Centre.

Since then, the Centre has been constantly developing its capacities and human resources as well as its professionalism and the scope of work. In the last five years (2007-2012) they have implemented dozens of projects in the field of education, culture and social sciences in Bosnia and Herzegovina.

SOC updated Strategic Plan for the period 2014-2017 and defined directions of development in the future period (web link <a href="http://soc.ba/en/about-us/">http://soc.ba/en/about-us/</a>).

## 3.5. Sources of Funding

The Sarajevo Open Centre obtains funding for its activities through a competitive bidding for donor-supported projects (nternational) available for project activities under contractual terms and conditions. All the projects are implemented subject to agreements and project documents are approved by the donors.

## 4. AUDIT SCOPE AND METHODOLOGY

The objective of the 2014 financial statement audit is to enable the auditor to express an opinion about whether the financial statements have been prepared, in all material respects, in compliance with the International Accounting Standards and applicable legislation.

The audit objective is to ascertain that:

- The financial statements give a true and fair view of the state of affairs for the fiscal year;
- The funds are used in accordance with the regulations and project agreements, and for purposes intended under such regulations and agreements;
- The internal control system is adequate to ensure the asset safeguarding, objective achievement, compliance with applicable legislation and true and fair Sarajevo Open Centre reporting.

The audit has been planned and performed to provide a reasonable basis for the expression of our opinion on whether the financial statements present a true and fair view of business activities during the fiscal year and the state of affairs at the year end.

We conducted our audit in accordance with International Auditing Standards.

Our approach was tailored to the specific needs of the Sarajevo Open Center and was 'risk-based'. The size of the tests were based on the auditor's risk analysis. We have planned and performed the audit from the perspective of materiality and risk in order to obtain reasonable assurance that the 2014 financial statements are free from material misstatement.

The audit involved examination on a test basis of appropriate evidence.

This required the following core methodology:

- Planning,
- Collection of audit evidence.
- Draw conclusions and form opinions,
- Reporting to Sarajevo Open Centre.

## 5. AUDITING PROCEDURES REPORT

We have audited the accompanying financial statements of the Sarajevo Open Centre as of December 31<sup>st</sup>, 2014. The audit was conducted on-site at the Sarajevo Open Centre premises in Sarajevo, Čekaluša 16, in the presence of authorized Sarajevo Open Centre representatives.

These financial statements are the responsibility of the Sarajevo Open Centre management. Our responsibility is to express an opinion on these financial statements based on our audits.

The audit team consisting of Ismeta Čardaković, B.Sc.Oec, the licensed auditor and auditor assistants applied a sampling approach (FBiH Audit Standards 230, 320, 520 and 530) and a test-based examination of the Sarajevo Open Centre documents, using different sample sizes, conditional on the balance item relevance.

## **5.1.** Basis for Financial Statement Presentation

The Sarajevo Open Centre maintains its financial records and prepares the financial statements in accordance with the International Accounting Standards (IAS), i.e. with the International Financial Reporting Standards (IFRS) and Interpretations issued by the International Accounting Standards Board (IASB), and the regulations listed below:

- BiH Accounting and Auditing Law,
- FBiH Law on Financial Operations,
- BiH Law on Associations and Foundations, and
- Other applicable legislation.

The Sarajevo Open Centre financial statements are based on a historical cost principle.

The preparation of financial statements under IFRS requires the Sarajevo Open Centre to use its judgments, estimates and assumptions affecting policy implementation and the disclosed amount of assets and liabilities, income and expenses in the reporting period.

The financial statements and the accompanying notes are presented in BAM.

Financial reporting is also arranged on a per-project basis for projects implemented during the reporting period. The Sarajevo Open Centre posts the 'project'-related financial transactions using accounting software FIN BOOKING and Excel (Microsoft Office program). The financial reports are basically submitted to donors in the format specified by the donation agreement and within the timeline not necessarily coinciding with the end of the reporting period, but with the end of the project implementation.

Financial records of the 'project' and consolidated accounting are reconciled, with the accompanying documents.

## 5.2. Revenue Recognition

According to the modified accrual accounting system, revenues are recognized in the accounting period when they become measurable and available (when paid on the Sarajevo Open Centre account), whereas expenses are recognized when the liability is incurred.

The revenue recognition under this method evolves from the accounting and reporting practices applied to budget beneficiaries, associations and foundations. The system reduces the risk of giving an unrealistic view of the Sarajevo Open Centre's financial position.

Under the above provisions recognized revenues include:

- 1. Budgetary revenue in the year when received;
- 2. Revenue received under the donation contracts in foreign or local currency, using the revenue/expense matching approach according to IFRS;
- 3. Own-source revenue in the period in which they are earned and cash received;
- 4. Deferred revenue is recognized in the period to which it applies, i.e. in the period when the deferred revenue producing events will occur. This means that the advanced revenue is initially recorded as the accrued revenue, and ultimately transferred to the revenue account:
  - Upon the issuance of invoice for services rendered.
  - Using a straight-line method for deferred revenues.

## 5.3. Expense Recognition

Expenses are recognized on the modified accrual accounting basis when the liability is incurred. This principle requires all the expenses to be recognized and recorded in the financial statements in the accounting period in which they are incurred, i.e. in the period in which the obligation to pay is incurred.

## 5.4. Tangible Fixed Assets

Tangible fixed assets are the assets that comply with the requirements defined by the Asset Accounting Code and the IAS 16 – Property, Plant and Equipment, and other tangible fixed assets.

Paragraph 2, IAS 16 provides a clarification as to the recognition of tangible fixed assets and states: Tangible assets are assets that:

- an entity has for use in the production or supply of goods and services, for lease to third parties or for administrative purposes and other purposes, and
- are expected to be in use for more than a year.

Tangible fixed assets are valued at cost which includes the purchase price and any other cost related to the acquisition of tangible fixed assets.

A tangible fixed asset may be recognized in a balance sheet when it is probable that the future economic benefits associated with the asset will flow to the entity, and the cost of the asset can be measured reliably.

Gains and losses on sale or any other disposal of tangible fixed assets are recognized in the profit and loss statement.

The depreciation method applied to tangible fixed assets is that of a constant or straight-line depreciation at proportional rates, in conformity with the rates set in the Asset Depreciation Nomenclature (FBIH Official Gazette 2/95). The amount of depreciation on newly acquired fixed assets is calculated starting with the first day of the following month after the fixed asset has been put into service – paragraph 30, FBIH AS16. The calculation of fixed asset depreciation ends upon the elimination, disposal, sale, etc. of the assets not fully depreciated.

#### 5.5. Inventories

The cost of inventories comprises overall costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition.

Under IAS 2: the inventories of raw materials and materials, spare parts and small inventory are valued at cost which includes the purchase price and any other cost related to the acquisition.

Small inventory includes items with a useful life less than one year. Small inventory is written off when put to use, applying a 100% write-off method, and removed from the books at the point of disposal.

## **5.6.** Accounts Receivable

Receivables from customers, government and government institutions, employees and other legal and physical entities are recorded in business books and financial statements based upon a valid document sufficient to prove the event occurrence and its value. The reconciliation of accounts receivable is required in case of receivables past due.

## 5.7. Cash and Cash Equivalents

## Under IAS 7:

Cash comprises cash on hand and demand deposits.

Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Cash equivalents are held for the purpose of meeting short-term cash commitments, rather then for investment or other purposes. For an investment to qualify as a cash equivalent, it must be readily convertible to a known amount of cash and be subject to an insignificant risk of changes in value.

Under IAS 7, cash comprises:

- cash on hand, on a gyro and other bank accounts,
- cash in the foreign currency account
- bank fixed deposits.

Cash on hand and cash held in commercial bank accounts are recognized and stated at their nominal value. Foreign currencies are translated into the local currency at the average exchange rate of the BiH Central Bank, as at the balance sheet date. Foreign exchange gains and losses are recognized in the profit and loss statement.

## 5.8. Accounts Payable

Current liabilities are reported in business books and financial statements at the business transaction value recorded based upon a valid financial document or a contract.

#### 5.9. Accruals

Short-term accruals comprise:

- accrued expense,
- accrued income
- accrued expenses payable,
- deferred revenue, and
- accrued provisions.

Long-term accruals are recorded based on deferred revenues and include donations received as defined by the  $FBiH\ AS\ 20$  – Donated funds.

#### 5.10. Donations

Donations received are recognized in the financial statements as deferred income based on the revenue/expense matching approach. Unconditional donations are recognized in the balance sheet and profit and loss statement only after the donation funds have been deposited to the bank account, or an asset donated in kind received.

#### 5.11. Provisions

Provisions are recognized when there is a present legal or constructive obligation arising from past events and when it is probable that an outflow of resources will be required to settle the obligation, and the amount of obligation can be reliably estimated.

## **5.12. Taxes**

The Sarajevo Open Centre is a not-for-profit organization and as such is exempt from income tax for the reason that it relies on the funding received from other legal entities, i.e. donors supporting the Sarajevo Open Centre project activities. Under the applicable legislation, associations and foundations are relived of filing and paying income taxes.

## 6. FINANCIAL REPORTING

The Sarajevo Open Centre prepares its annual financial report. The annual financial report is submitted under the provisions of the BiH Accounting and Auditing Law governing annual reporting for 2014.

The Sarajevo Open Centre submits a set of financial reports to the AFIP Agency relevant unit for processing and verification.

## NGO & Business

## NGO and Business Audit d.o.o. Sarajevo Audit and Consulting Company

Part of newly purchased equipment relates to procurement of alarm system in new premises. The supporting documentation of this transaction is reliable and valid, but auditor emphesises the fact that no procurement procedure was used when this alarm was purchased. According to management statement Sarajevo Open Centre did not have time to perform full procurement procedure knowing that they had very negative experience in the past when there premises were attacted and staff members were in danger due to vailant act of different individuals. Under these circumstances their priority was to protect life of staff members and SOC property and there fore they simply continued working with same Security company who was providing same services in previous office. Auditor accepts this exceptional situation and to does not have any remarks related to this transaction.

## Note 1.2.: Long-term deposits and receivables

#### **Note 6: Revenues (BAM 511.598)**

Revenues are received under the donations for project activities funded by local and international donors. Such incomes are aimed for funding and supporting planned project activities, as designated and approved by the donor's contracts and budgets. Sarajevo Open Centre total revenues for 2014 are diclosed in amount BAM 511.598 (as presented in Income statement for 2014).

In 2014 Sarajevo Open Centre (SOC) implemented many projects funded by different donors. Each donor is setting individual reporting requirements in grant agreements and SOC is obligated to obey such requirements. SOC staff maintains project accounting. Project financial reports are prepared per each project in the periods as defined by Grant Agreements signed with donors. Simultaneously, all transactions are recorded into general ledger maintained by external accounting agency.

The project books are in compliance with general ledger and financial statements prepared by external accounting agency.

Detailed list of revenues (incomes) per projects implemented in 2014 by Sarajevo Open Centre is given in the table bellow:

All expenditures per projects are fully reconsiled with expenditures as disclosed in Income statement for 2014.

## It was found that:

- The salary and remunerations for staff include eligible costs only and salaries and remunerations have been paid in accordance with local rules and legislation, and in accordance with projects budgets. These costs are debited to the projects and recorded throughout the 2014 year in a systemized way. Salary costs are supported by adequate and sufficient documentation.
- All social contributions and taxes for local staff salaries and external experts are correctly calculated and paid in accordance with local rules and legislations.
- Other expenditures recorded throughout the 2014 year is supported by adequate accounting documentation.
- Declared expenditures are adequate, related to the Project activities and incurred in the fiscal period.
- Procurements are performed in compliance with internal procurement policiesa and donors requirements. The only exception was described under Note number 1.1.
- The payment procedures are in accordance with financial rules and procedures. Each payment is approved and signed by two signatures. Payment voucher contains all needed information about the nature of the cost, project and the payment instruction.
- During 2014 donors funds were channeled to one partner organization (Foundation Media Centar) in amount of BAM 52.578. Transfer was based on signed agreement as of January 03rd 2014 for project funded by European Union. This costs are supported by sufficient documentation.
- Overall conclusion can be defined as follows: The funds are used in accordance with the regulations and Donors agreements, and for purposes as defined in each project document.

## Note 8.: Surplus revenues (BAM 2.211)

Adhering by the Accounting Principles Code and the FBiH Accounting Standards, the Sarajevo Open Centre completed:

- Calculation of the financial performance over a given accounting period by matching reported incomes with total expenditures for a given accounting period.
- At the end of the fiscal year 2014, the Sarajevo Open Centre reported excess revenues over expenses of BAM 2.211.
- Surpluse of revenues is the result of solidarity fund established in the Sarajevo Open Centre. Solidarity Fund is presented under project code 2014\_16, and is accumulated from voluntary private donations (contributions of Sarajevo Open Center staff and external experts).

## 8. INTERNAL CONTROL SYSTEM

In an audit of non-governmental organizations, the auditor's responsibility is to consider overall legal and regulatory framework, including any other applicable regulation, ordinance, decision and decree defining and governing operating aspects of a donation beneficiary. To that effect, the audit procedures related to the review of the Sarajevo Open Centre internal control system have been planned and performed.

The objective of the procedures performed is to proficiently assess accuracy and reliability of financial data used to produce financial statements, and test their compliance with applicable laws and regulations. Methods used for performing audit procedures aimed at assessing the Sarajevo Open Centre performance efficiency (quality, resources use efficiency), reliability of financial reporting and compliance of procedures applied with applicable laws and regulations.

Ensuring that adequate organizational structure and sufficient internal policies and procedures provides a basis for establishing a control environment.

## Performed Audit procedures revealed that:

Sarajevo Open Centre presented to Auditor the Statute. This is mandatory document, which has to be prepared before each NGO or Association is registered. In addition Auditor was presented following policies and procedures:

- Accounting Rulebook,
- Rulebook on accounting policies,
- Rulebook on internal organization and organization chart,
- Rulebook on working conditions, organization, and salary scale,
- Rulebook on financial management,
- Rulebook on procurement procedures.

Policies and procedures as stated above are developed in compliance with the defined guidelines for establishing and strengthening internal control system aimed at ensuring control procedures for proper managing of donor funds.

In accordance with previous audit recommendations all internal policies and procedures have been adopted by the Governing Board. Procedures related to staff evaluation is in the process of development and will be adopted by the end of June 2015.

The internal control system is adequate to ensure the asset safeguarding, objective achievement, compliance with applicable legislation and true and fair Sarajevo Open Centre reporting.

## 9. COMPLIANCE BETWEEN SYSTEMS OF ACCRUAL AND PROJECT ACCOUNTING

Sarajevo Open Centre has developed financial reporting system in accordance with local rules and regulations and as well with the international accounting standards (IAS). This function is outsourced and performed by accounting agency FIN solutions. The Agency is using tailor made accounting software adjusted to the needs of NGO reporting requirements.

Agency is preparing consolidated financial reports for the organization as legal entity.

Project accounting and reporting are organized in a way that financial reports are prepared for each donor as required by grant contract.

Sarajevo Open Centre reconciles consolidated reports with projects financial statements. The consolidated financial reports differ from project reports due to the fact that consolidated reports are prepared on accrual basis of accounting, whereas project reports are prepared on cash accounting basis. The cash accounting does not record liabilities and all investments are recorded as costs.

Financial statements based on accrual accounting are different from the financial reports per projects for the amount of accruals as well as for the amount of fixed assets. Purchasing equipment and other assets are recorded in accrual accounting as investment in fixed assets, but in the project accounting asset procurement is the outflow of cash, ie cost. Depreciation of fixed assets is an ordinary expense in accrual accounting that in the project accounting does not appear. Due to the fact that fixed assets are mainly purchased by donor's funds, the amount of depreciation of the financial period are recorded as revenue in assets/equipment. Certainly this is one of the usual discrepancies between these two systems of accounting.

In the project accounting, all transactions are recorded as an expense, regardless of whether if they are the investment in fixed assets.

At the end of the fiscal year 2014 Sarajevo Open Centre performed reconciliation of total revenues and expenditures between consolidated accounting and project records. As shown in notes no. 6 and 7 revenues and expenditures are fully reconciled.

## 10. ACKNOWLEDGEMENT

The audit team would like to express its appreciation to the Sarajevo Open Centre management and staff for the kindness and cooperation extended during this assignment. Without their assistance and cooperation this work would not have been successfully completed.
